Dan,

After sending the transmittal, I realized that I spelled your last name incorrect in the body of the transmittal. I wrote Gonzales but it should have been Gonzalez. Could you please change that in the body of the actual transmittal.

Dan,

I routed the Gold King Mine transmittal to you under action transmittal 15-A-OPAR-000188. The due date of the LCO template is COB Wed, Aug 19th. You can modify this date if you would like to make it later but OPARM will have to consolidate the LCO templates and submit one template to the EOC desk. The Aug 19th date is referenced a couple of places in the body of the transmittal.

Sorry to just send but between trying to clarify things with the EOC and other fires, I just finished it.

Please feel free to modify any area of the transmittal.

Jamie-the attachments that will appear in the transmittal are attached to this email too.

Thanks
